Primary Update

11 July 2017

Work Groups for 2017-18

We intend to offer the following free work groups next year:

Year 5-8 Continuity

Three separate work groups:

1. Mastering mathematics through deep conceptual understanding
2. Bar Modelling and Multiplicative Reasoning
3. Problem Solving and Reasoning

Priority will be given to joint applications received from Secondary and Primary Schools looking to work together. Please get in touch with the Maths team from your local secondary school to see if they are interested in working collaboratively on one or more of these.

Teaching for Mastery - Lesson Design

These will be in addition to the 48 schools actively participating in our eight Teaching for Mastery teacher research groups.

First Two Years of Teaching

Salop and Herefordshire Maths Hub Strategic Board are keen to support professional development for all teachers, with no charge for any of our work groups.

For teachers in their first two years of teaching, we pay cover costs of up to £180 per day.

If any teachers in their first two years of teaching have participated in work groups, please can you check that the person in charge of finance has submitted an invoice to claim these costs. If not, please can you arrange for this claim by Thursday 13th July. Thank you.

[Click here to claim payment for cover](#) - on completion of

the course please forward an invoice via email to Sandra Cooper sc@tpstrust.co.uk or post to The Priory School, Longden Road, Shrewsbury SY3 9EE.

Please give full details of delegate/s, course and dates together with your schools bank account details.
