WOMEN LEADING IN EDUCATION

(WLiE)

We were delighted to see such a good response to our third network meeting held recently for aspirant women leaders. The meeting focused on interview performance, the use of data at whole school level and what do headteachers look for in applicants.

Delegates stressed the importance of the network as a vehicle to support each other with their career progression.

The next stage will be an opportunity for aspirant leaders to shadow a senior leader within one of our partner schools. If you would like to host senior leader shadowing opportunities for aspirant women please contact sc@tpstrust.co.uk

If you would like to be kept informed of network meetings or become more involved please email: sc@tpstrust.co.uk
